"The Military Order of the Loyal Legion of the United States had its inception on that saddest day, at the conclusion of the Civil War, when humanity throughout the world was shocked by the death of Abraham Lincoln. In honor of that illustrious memory and of the great cause for which we had fought; in recognition of the affectionate friendships which had been inspired among the officers of the Army then about to disband; in historic recollection of the Society of the Cincinnati, which had embraced the officers of the Revolutionary Army, it was determined to form this Order; and at a meeting of a few officers in the city of Philadelphia the initial steps were that day taken for its organization. It was the first of the military societies which followed, or rather accompanied the close of the War." (General Charles Devens's 25th Anniversary Oration.)

The Commanders-in-Chief of the Military Order of the Loyal Legion of the United States have been Major General George Cadwalader (Pennsylvania), Major General Winfield S. Hancock (Pennsylvania), General Philip H. Sheridan (District of Columbia), Brigadier General Rutherford B. Hayes (Ohio), Brigadier General Lucius Fairchild (Wisconsin), Major General John Gibbon (Oregon), Rear Admiral Bancroft Gherardi (Pennsylvania), Lieutenant General John M. Schofield (District of Columbia), Brigadier General David McM. Gregg (Pennsylvania), Major General John R. Brooke (Pennsylvania), Major General Grenville M. EXTRACTS FROM THE CONSTITUTION OF THE ORDER

Defining Its Objects, Principles and Qualifications for Membership

PREAMBLE.

We, Officers and honorably discharged Officers of the Army, Navy and Marine Corps of the United States, whose names are hereunto annexed, having aided in maintaining the honor, integrity and supremacy of the National Government at a critical period of its history, and holding in remembrance the sacrifices in common made and the triumphs together shared in discharge of this sacred duty, unite to ordain and establish a permanent association for the purposes and objects hereinafter set forth, and to this end pledge our honor, as officers and gentlemen, to be governed by the following Constitution and By-Laws.

ARTICLE I.

TITLE.

This association shall be known as The Military Order of the Loyal Legion of the United States.

ARTICLE II.

PRINCIPLES.

This Order acknowledges as its fundamental principles —

First. A firm belief and trust in Almighty God, extolling Him under whose beneficent guidance the sovereignty and integrity of the Union have been maintained, the honor of the Flag vindicated, and the blessings of civil liberty secured, established and enlarged.

Second. True allegiance to the United States of America, based

upon paramount respect for and fidelity to the National Constitution and Laws, manifested by discountenancing whatever may tend to weaken loyalty, incite to insurrection, treason or rebellion, or impair in any manner the efficiency and permanency of our free institutions.

ARTICLE III.

OBJECTS.

The objects of this Order shall be to cherish the memories and associations of the war waged in defence of the unity and indivisibility of the Republic; strengthen the ties of fraternal fellowship and sympathy formed by companionship-in-arms; advance the best interests of the soldiers and sailors of the United States, especially of those associated as Companions of this Order, and extend all possible relief to their widows and children; foster the cultivation of military and naval science; enforce unqualified allegiance to the General Government; protect the rights and liberties of American citizenship, and maintain National Honor, Union and Independence.

ARTICLE IV.

ORGANIZATION.

SECTION 1. — This Order shall be composed of State Commanderies and a National Commandery.

SEC. 2. — There shall be but one Commandery in each State, which shall be designated as "The Commandery of the State of ——," excepting the Commandery of the District of Columbia, which shall be designated as such.
